Dear Friends,

Praise the Lord!

It has been a privilege to spend some time at my home and office these last few weeks. I have appreciated the time to reorganize, reprioritize and revitalize! It has been an opportunity to catch up on housecleaning as well as necessary office work and yard work. It brings great satisfaction to complete some longstanding projects.

I also have had the opportunity to minister in local assemblies on most weekends. The response has been encouraging and many have received refreshing and spiritual renewal.

In Prince Albert I was also honored to address the graduates of a Christian School. It is my prayer that they will continue to excel as they commit to follow Jesus throughout their lives.

It is such a great encouragement to minister in different areas and hear testimonies of what God has accomplished during previous visits. Sometimes results are evident immediately, while on other occasions it may take years to see the full harvest—and sometimes faithful sowing will only discover its full reward in eternity.

P.S. In John 15:5 we are reminded of the importance of our relationship with Christ, *"I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing."* It is impossible for a severed branch to be productive. In the same way we realize that without a living relationship with Jesus, our spirit will wither and dry.

When everything is going well it is easy to become independent, self-righteous and self-reliant. We must continually bring ourselves back to the recognition that everything in our life is from Him, by Him, and to Him.
