Dear Friends,

Praise the Lord!

The beautiful, warm days of summer are the ideal opportunity to share with family and friends. What a joy it has been to visit with some of my family, including the celebration of my youngest niece’s wedding.

It was also a privilege to make a short ministry tour through Minnesota and North Dakota. A lovely young lady told me that it had been fourteen years since I had last shared in this fellowship near Morris, MN. She reminded me that she, as well as half a dozen other young people had all received the Holy Spirit baptism at that time. What an encouragement to see her radiating the Lord’s presence.

Our local church again set up the big tent for our annual gospel camp. This is always a time of spiritual refreshing, refilling and fellowship. Every evening folks came from communities nearby and were challenged by the Word of God.

The last weekend of July, I was invited to speak at a family camp near the Rocky Mountains. It was one of the larger camps in recent years to be held at the campus of the Living Faith Bible College. Many received encouragement and spiritual help.

Many received refreshing and encouragement

On Saturday evening nearly a dozen received the Holy Spirit baptism, and many received liberation and refreshing in the Holy Spirit.

In the month of August many final preparations will be made for a very busy schedule to come in September through Alberta, northern British Columbia and even the Yukon. Your prayer support is vital for God's guidance with all of these plans.

May the Lord continue to strengthen, encourage and bless you. Thank you again for your continued support and encouragement.

In Christ,
Anita Pearce

P.S. In John chapter 4:4 Jesus found it necessary to go out of His way through Samaria. He had an appointment to speak to the Samaritan woman—an encounter that would ultimately change her life. Later in Acts chapter 8 we read how God sent Philip to explain the gospel to the Ethiopian finance minister, who was traveling home from a Jewish feast in Jerusalem. That man in turn took this marvelous message home to his people resulting in the nation being powerfully affected by the gospel.

We must not underrate the purposes of God. The Lord saw the hunger of these hearts. Faithful and obedient witnesses planted eternal seeds. These individuals who may have seemed insignificant became pivotal people in changing nations. Never underestimate the value of one soul or the worth of one seed.
